

# **Environmental Policy Statement**

We aim to become more aware of the environment and the detrimental impact our activities have upon it. We are committed to achieve good environmental practices. The Company believes in a sustainable community and aims to minimise our effects in the environment.

## **General Statement.**

It is the policy of Honeywood Contracts Limited to put its environmental policy into practice by:

1. Paying particular attention to all relevant legislation, regulations and government guidance.
2. Meet industry codes of practice wherever possible.
3. Use sustainable and recycled materials whenever possible.
4. Ensure the suppliers and Sub Contractors we use have relevant environmental statements
5. Ensure that all employees know and understand the policy and what is expected of them.
6. Make efficient use of natural resources by minimising waste and conserving energy and water.
7. Seek to reduce the wastage of building materials.
8. Seek to use the most environmentally efficient means of transport.
9. Use registered waste disposal companies or licensed tips for the disposal of waste materials, particularly hazardous wastes.
10. Keeping sites clean and tidy to ensure minimum disturbance and disruption to clients and their neighbours.
11. Ensure all suppliers and subcontractors are aware of our policy.

## **Management Responsibilities.**

- Mr D P Braxton (the Director) has overall responsibility for this policy and will ensure that the policy is properly implemented monitored and periodically reviewed in accordance with the relevant statutory provisions.
