QUALITY ASSURANCE POLICY STATEMENT

We at Honeywood Contracts Ltd are a provider of services concerning internal and external refurbishment, soft strip out, asbestos removal and associated works to concerned parties. The creation of this statement is a strategic decision for Honeywood Contracts Ltd. The design and implementation of our quality policy is influenced by the varying needs and objectives of our clients and the regulatory environment in which we operate.

We are committed to the provision of a professional, competent, committed and measurable quality service to our clients and customer base. Any such service must be provided within the legal and regulatory environment of the Health and Safety Executive.

This service is to be provided by the satisfaction of the established requirements and expectations of customers for quality, cost, performance, safety and reliability and the maintenance of the legal and regulatory requirements of quality, performance and safety.

We intend to maintain this service by adopting a total commitment to the provision of a quality service by the setting of and compliance with standards of service and performance, codes of practice and utilisation of systems and procedures.

We will continue to maintain our quality system through monitoring both the service provided and the customer's perception by continuous improvements in order to comply with our policy requirements.

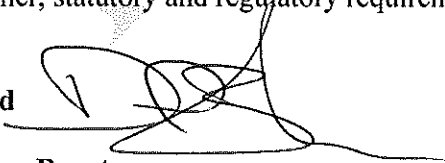

We will create and maintain a system to ensure the continuous development of our products and services to comply with the developing requirements and expectations of our customers and the regulatory bodies.

All employees will enter a continuous training programme for the achievement of the quality goals of our training requirements and to ensure the maintenance of the integrity of the quality programme. We recognise that quality is an essential part of the strategy for the maintenance and growth of the profitability of Honeywood Contracts Ltd and achievement of the strategic and financial aims of the company.

Quality is a strategic issue but cannot be achieved without the commitment, training and co-operation of all employees and officers of the company. The person with ultimate responsibility for the implementation and maintenance of this quality policy and strategy is the Managing Director.

This statement is to provide confidence to our customers that implementation of the Quality Assurance Policy is mandatory on all employees and that they understand the meeting of all customer, statutory and regulatory requirements.

Signed

Duncan Braxton
